- Seminars
- College Activity Calendar

Student-Teacher Ratio

Teachers-Students Ratio

Student Counseling

- Each staff member of the college is allotted minimum no of students for counseling under mentorship program.
- Once in every 15-20 days, each student must interact with their respective mentor and counseling faculty.
- The mentor/counselor will be asking for the students academic updates, backlogs if any, their problems in college, exam performance etc.
- The counselor will be maintaining a separate counseling record of each student.
- The counselor will try to be in contact with the parents through WhatsApp, SMS, Calls etc.

Teaching Techniques

With the right teaching methods, educators can create an enjoyable and productive classroom experience for students where they can learn important academic and social skills to last a lifetime. There are many frameworks that a teacher could use to support students with different interests, abilities and learning styles.

Sakshi Malik Govt. College for Girls Mokhra is fully equipped with Digital Infrastructure i.e. Computers with latest software's, Smart Class Rooms, Projectors etc. Using the Digital Infrastructure, students of rural areas can improve their technical knowledge.
